Candle Wishes, Inc. is located in Dallas, Texas. We are among the first to perfect the correct blend of soy and aromatics suitable for clean and safe use. Our efforts have resulted in a candle that not only is non-toxic but burns longer and cleaner than conventional candles made of paraffin.

Candle Wishes, Inc. brings a futuristic slant to the industry by offering these fine candles to organizations of all types as a fundraising tool. Everyone loves the great aromas and the fact that they are safe to breathe and long burning. In addition, the candles are offered at a price which enables organizations to achieve up to 55% profit. Great products, fair pricing and no nonsense service makes Candle Wishes Inc. a proud and prosperous company.
